

6 MILES, 30 FEET DEEP, 1 YEAR

Achen-Gardner Construction recently started work on the **Luke 303 North Sewer Trunk Main DBB** project for EPCOR Water. This project includes the installation of more than six miles (approximately 35,000 LF) of PVC gravity sewer main (15" to 30") and 73 manholes adjacent to Luke Air Force Base and the Loop 303. The installation requires excavations up to 30 feet in depth and is scheduled to be complete by August 2020. [Visit our website for more information and photos.](#)

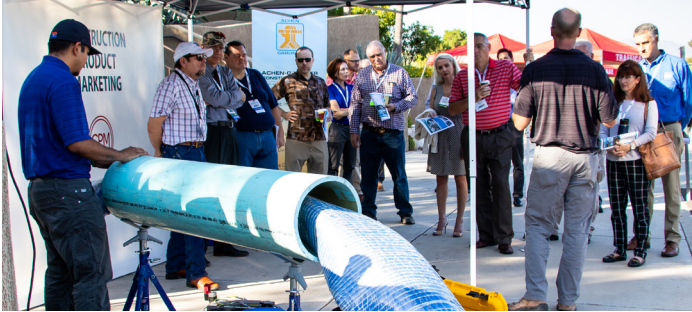

30TH ANNIVERSARY FACT

We perform all scopes of concrete work including sidewalks, curb and gutter, catch basins, box culverts, retaining walls, and bridges. We have completed several award-winning architectural concrete projects, such as the **Arizona Falls Canal Bank Enhancement CMAR** project for the City of Phoenix. This highly visible recreational landmark encompasses 64,000 SF and includes desert masonry walls, pathways, water features, a pedestrian bridge, shade canopy, landscaping, numerous art elements, and a 600 SF restroom facility. [Visit our website to read more about this project.](#)

AZ APWA CONFERENCE

Achen-Gardner Construction was a sponsor, exhibitor, and several of our employees attended the Arizona Chapter APWA Statewide Conference on August 7-9th at the El Conquistador Tucson. We were a Premium Sponsor, Public Agency Sponsor, and Friday Prize Drawing Sponsor and handed out fun and useful giveaways at our booth. We also participated in several technical presentations about our recent projects: the **Fiesta Tech Sewer Service and Lift Station CMAR** project for the Town of Gilbert and the **Twin Peaks-Blue Bonnet Road Gravity Sewer DB** project for Pima County, and we conducted a demonstration of pressure pipeline rehabilitation using Primus Line. Two of our projects also won Project of the Year Awards. [Visit our website for more photos.](#)

The **Downtown Chandler Canal Restoration** won the Project of the Year Award: Historical Restoration/Preservation, Less Than \$5M.

The **Val Vista Transmission Main Rehabilitation CMAR** project won the Project of the Year Award: Environment, \$5M, But Less Than \$25M.

NEW PROJECT: CITY OF BUCKEYE JOC

We have been selected to provide pre-construction and construction services for the City of Buckeye **Water Utility Pipeline & Infrastructure JOC** project. Achen-Gardner completed the first JOC contract from 2014 to 2019 and this new JOC contract will provide up to five more years of service.

PVC-LINED SEWER

We have started work on our **PVC-Lined Concrete Sewer Pipe and Manhole Rehabilitation CMAR** project for the City of Phoenix. This project involves the rehabilitation of approximately 12,000 LF of 30" to 48" sewer and 6 manholes and the installation of 10 new manholes. [Visit our website for more information.](#)

TOUCH A TRUCK

Achen-Gardner is a sponsor for the 2019 Touch a Truck event at Westgate Entertainment District in Glendale on October 19th. This free family event is a great opportunity for kids of all ages to see, touch, interact with, and learn about big trucks and their functions. [See the Visit Glendale website for more information.](#)
