

DESIGN-BUILD PROGRESS REPORT

Achen-Gardner is currently constructing Segments 1 and 3 of our **Twin Peaks-Blue Bonnet Road Gravity Sewer Design-Build** project for the Pima County Regional Wastewater Reclamation Department (RWRD). These segments of the project include a total of 18,000 LF of 15" gravity sewer and 45 manholes. Segment 2 of this project, including more than 7,000 LF of 15" sewer and 12 manholes, was completed in Fall 2018. [Visit our website for more project information and photos.](#)

David Badger, Pima County RWRD Project Manager, will be giving a presentation about this project at the Arizona Chapter American Public Works Association (APWA) Statewide Conference. The presentation, titled "Maximizing the Efficiency of Design-Build: How to Complete a Major Project in 180 Days," will take place on August 8th. [Visit the conference website for more details.](#)

NEW INTERSECTION

Our **Price Road Reclaimed Water Line and Wells Fargo North Driveway Improvements DBB** project is now complete. This project included roadway, sidewalk, and landscape modifications to accommodate a new signalized intersection and ADA crosswalks that will connect the two corporate buildings on the east and west sides of Price Road. [Visit our website for more project information and photos.](#)

NEW PROJECTS

We have been selected to provide pre-construction and/or construction services for the following projects:

- **City of Glendale Watermain Replacement Package 1 DBB**
- **City of Scottsdale Sewer Rehabilitation JOC**
- **City of Tempe Underground Utility Construction JOC**

We look forward to working on these exciting projects.

UV CIPP NIGHT WORK

We recently completed a sewer rehabilitation in front of Banner University Medical Center in Tucson. Our ultraviolet light cured-in-place-pipe makes it possible to rehabilitate pipelines with less disruption to local stakeholders, including emergency medical personnel. This work was completed as part of our **Wastewater Conveyance JOC** project for Pima County. [Visit our website for more project information and photos.](#)

EPCOR IMPROVEMENTS

We are upgrading EPCOR Water facilities on Mockingbird Lane in Paradise Valley. This work is in advance of our roadway improvements project that will support the new Ritz Carlton development. [Visit our website for more project information and photos.](#)

PUBLIC WORKS
IT STARTS HERE
NATIONAL PUBLIC WORKS WEEK
MAY 19-25, 2019

This week is National Public Works Week. Join us in celebrating all of our public works professionals on social media using the hashtag #NPWW. [Visit the APWA website for more information.](#)

FROM OUR SOCIAL MEDIA: STAR WARS DAY

We celebrated Star Wars Day on May 4th by seeing what it would be like to have a crew of stormtroopers install a 36" DIP transmission main. Check out our social media pages below and follow us for more fun and informative company updates.
