## NORTH RILLITO INTERCEPTOR RELIEF SEWER

The North Rillito Interceptor Relief Sewer Design-Bid-Build project for the Pima County Regional Wastewater Reclamation Department consists of 1,292 LF of double barrel 24" steel siphon crossing the Rillito River north of Paradise Falls Drive and Columbus Boulevard. The scope also includes two new siphon structures, 1,170 LF of 30" Hobas Pipe connecting both ends of the siphon, two biofilter systems to mitigate odor control, grading and landscape to accommodate Native Frog Habitat, and construction of associated manholes. CIPP lining of the 24" steel siphon is also included in the scope. This project requires significant public outreach with area residents as well as users of the Rillito River Bicycle and Pedestrian "The Loop" path. ## Experience Sky Kids Fly Day

Achen-Gardner Construction was proud to sponsor and volunteer at the Sky Kids' Fly Day Event For Special Kids held at Phoenix-Goodyear Airport on April 18, 2015. Now you can experience what the day was about with our 4-minute video walk-through and full fly-through from the event. [\[See the video on our website\]](#) [\[See the video on YouTube\]](#)

Sky Kids gives children with special needs an opportunity to fly in a general aviation aircraft with an expert pilot along with a parent or friend to experience the wonders and enjoyment of flight. Mark your calendar, the next Sky Kids Fly Day Event will be at the Scottsdale Airpark on November 7, 2015 and then at the Phoenix-Goodyear Airport on April 2, 2016.
