NEWS

‘Tis The Season to Slipline

Achen-Gardner crews are rehabilitating approximately 3,920 LF of critical pipeline on the City of Phoenix **Val Vista Transmission Main Priority 4 CMAR** project. We are sliplining the existing 96” diameter pre-stressed concrete cylinder pipe with a new 92” welded steel liner installed from a single access portal in the City of Mesa. [Visit our website for more project information and photos.](#)

We are thankful to all our friends, clients, and colleagues for your kindness and collaboration. From our family to yours, have a safe and happy Thanksgiving.

HAPPY
Thanksgiving

Pump Station Valve Replacement

Achen-Gardner recently replaced four 24" tilt check valves on the Finish Water Pump Station at the Pecos Surface Water Treatment Plant to improve functionality as part of our **Arrowhead Water Production Facility Rehabilitation and Pecos Surface Water Treatment Plant Surge System DBB**. [Visit our website for more project information and photos.](#)

Sky Kids Soar

Achen-Gardner was proud to sponsor and support the **Sky Kids Fly Day Event** at the Scottsdale Municipal Airport on November 12th. This event allowed special needs kids to experience the wonder and enjoyment of flight. Thank you to all the volunteers and sponsors who helped make this event a huge success. [Visit the Sky Kids website for more information.](#)

Touch-A-Truck

Achen-Gardner was happy to be a sponsor at the annual **City of Glendale Touch-A-Truck Event** and the **City of Litchfield Park Touch-A-Truck Event** on November 19th. Our employee-owners passed out fun swag and showed off some of our equipment. This free family event gave kids of all ages to see and touch the equipment and learn all about construction. Thank you to everyone who helped make this a fun event. [Visit our website for more information.](#)

Got Dirt?

Aric Smith, Achen-Gardner's Safety Manager, recently sat down with Aaron Witt, CEO of BuildWitt, on the **Dirt Talk Podcast**. Aric and Aaron discussed their history in the construction industry and shared stories about various projects and challenges facing the industry. [Visit our website for more information.](#)

New Projects

We were recently selected to provide pre-construction and construction services for the following projects:

- **City of Buckeye: Verrado Water Line and EPCOR Interconnect CMAR**
- **City of Casa Grande: West Area Wastewater Construction CMAR**
- **City of Casa Grande: Effluent Reuse Pipeline & Recharge CMAR**

We look forward to working on these exciting projects.

I-17 Project Update

We are making progress on the Arizona Department of Transportation **I-17 Dunlap Avenue to Deer Valley Road Pavement Rehabilitation** project. Achen-Gardner is working with Emery Sapp & Sons (ESS) to remove the existing asphalt pavement and repair the existing concrete pavement. Crews will also be diamond grinding existing concrete pavement to provide a smooth roadway surface. [Visit our website for more information.](#)
