## 56th Street CMAR Project Wins Build Arizona Award

We are excited and honored to receive the Arizona Chapter Associated General Contractors (AZAGC) Build Arizona Award for our 56th Street Reconstruction CMAR project. The project won in the Public - Reconstruction (Metro) - Municipal Utilities - Projects Less Than \$10 Million category. It was a pleasure working with the Town of Paradise Valley (Owner) and the CK Group (Designer) on this "Visually Significant Corridor". Members of the project team received the award at the 2016 Build Arizona Awards Dinner and Auction at the Pointe Hilton Tapatio Cliffs Resort in Phoenix on April 8, 2016. Achen-Gardner Construction was a Bronze Sponsor of the event which had a sports theme.
